(By Edgar T. Higgins)

The Baptists downed the Methodists for the second time this season on the Normal field Tuesday by a tight score of 9 to 8. In the game before the victors only led by one run at the close of the contest.

Sam Reid, Madison High's star boxman, was on the slab for the Methodists. He pitched sterling ball but was given ragged support. His strike-outs counted 14. In the first, third and fifth innings he breezed all three men Clouse seemed unable to hold him and he was replaced by Reeves before the first inning was over. Reeves held Reid up nicely and let only one get through him for a pass ball.

Hembree pitched steady ball throughout the game for the Baptists. Douglas Chenault put the game on ice with a lengthy triple over the left fielder's head in the seventh. It was his first hit of the day but it was worth a million, as it came just in time to stave off defeat.

The Baptists held their opponents' score down through two nice double plays.

There was a good deal of argument over a decision of Umpire Greenleaf in the seventh but play was resumed without much delay.

The Baptists got off with a big lead when they combined three singles, by Gentry, McKinney, and Ringo, with four errors and a base on balls for six runs; after the Methodists had gone hitless. In the second singles by Dearing and Reeves, a base on balls, an error by Gentry, and a triple by Sanders, gave four runs to the Methodists.

The Baptists scored again in the second on an error, two stolen bases and a single by Hembree. Neither team made a hit in the third. The Methodists scored twice in the fourth on an error, a stolen base, a hit batsman, and two wild pitches. Baptists failed to score. Neither team scored in the fifth or sixth. In the first of the seventh the Methodists crossed the rubber twice. Sanders, and two passed balls. In on a single by Reid and a double the last half of the seventh frame Carter led off with a single but was out stealing. Gentry was safe on an error, stole second and scored on McKinney's hit over short. McKinney stole second, went to third on Hembree's out at first and scored on Chenault's winning smash over the left fielder's head. The score:

The Spaniard Searched For Gold— The Pilgrim For God.

"Why is South America, with its wonderful resources and climate, so backward as compared to the United States?" asked the President of the Argentine Republic.

"Because the Spaniards came in quest of Gold," he continued, "while the Pilgrim Fathers came in quest of God."

Because the Spaniards were traders, gold hunters, grasping wealth grabbers, they left behind them a mongrel people and a group of unstable, revolutionary, turbulent, superstition-ridden little states which depend upon America for protection.

Because the Pilgrims came for conscience and not for conquest—for God and not for Gold—they shaped the greatest Republic on earth and made it the moral leader of the world.

Christianity Is True Americanism

The first day after landing the Pilgrims kept the Christian Sabbath. The Mayflower Compact declared the settlement of America was "for the glory of God and the advancement of the Christian faith." The charters of all the thirteen original states affirmed the religious purposes of the founders. Christian Education was wrought into the fabric of American institutions. All the early colleges were Christian, and each early educational pronouncement affirmed its Christian character.

Shall Gold Now Dethrone God?

The Christian note has departed from our secularized educational institutions. Around the world we are called a commercialized people.

Shall Gold dethrone God in America? Have we decided that, after all, the Spaniards were right and the Pilgrims were wrong? Are we ready to reject the policy which made us great—to adopt the policy which made our neighbors puny?

The hope of America lies in the production of strong men and women through the medium of the Christian college. Thus we may transmute Gold into character. Thus we may continue the quest for God.

The M. E. Church, South, will raise a fund of \$33,000,000 to adequately equip and maintain 90 of the finest and most thoroughly Christian schools and colleges in America.
The Campaign Date Is from May 28th to June 5th
